

Debra Chamra
Treasurer, Women In Bio

Current Company: Independent consultant, CPA
Current Address: PO Box 31493 Sea Island, GA 31561

Professional Background

Debra is an independent consultant with over 18 years’ experience in accounting, financial management and corporate compliance. Debra has worked in financial roles in the biotech industry, most recently as Senior Finance Manager, Commercial Operations & Strategic Projects at Grifols, Inc. (formerly, Talecris Biotherapeutics), where she led the executive management portion of the Sales & Operations Planning process for a \$1B international product portfolio. Prior to Grifols she held several roles including Financial Analyst at PPD; Director of Finance at NHCHC, Inc.; and Controller and Corporate Compliance Officer at Southern Regional Area Health Education Center.

Debra holds a B.S. in Accounting and Business Administration and a B.S. in Health Care Administration from Methodist College. She has a Masters in Healthcare Administration (MHA) from University of North Carolina at Chapel Hill, an M.A. in Accounting from Auburn University and an MBA from North Carolina State University. Debra is a Certified Public Accountant.

Debra has served as Treasurer for Women In Bio since 2012 and oversees the management and reporting of WIB’s finances and helps drive financial planning and strategy.
